

The Next Step

IPv6 and the Enterprise

Benedikt Stockebrand
Stepladder IT Training+Consulting GmbH

RIPE 71
November 18, 2015
Bucharest, Romania

Technicalities I

If you found this presentation on the web:

It's pretty useless by itself, so I strongly suggest you check out the video at <https://ripe71.ripe.net/archives/> instead.

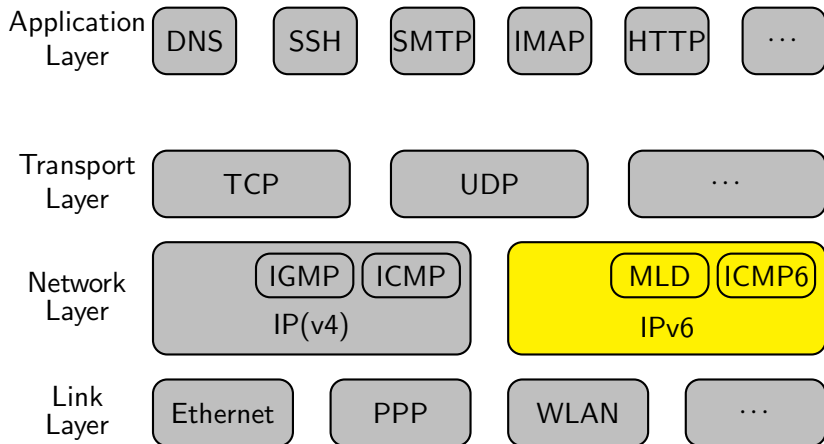

Technicalities II

Sorry.

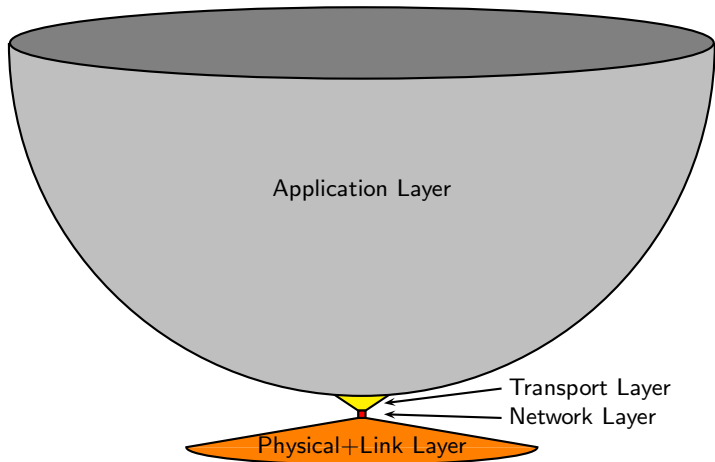

Technicalities II

Sorry.
No kittens.

IPv6 and the TCP/IP Stack

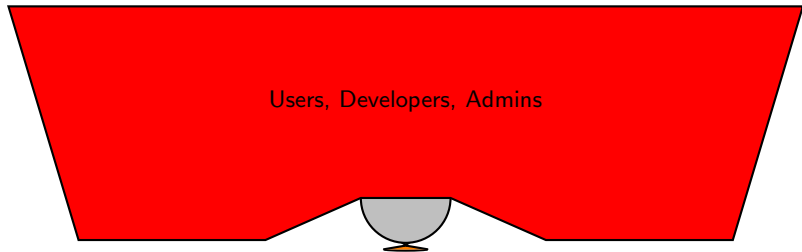

The “real” TCP/IP Stack

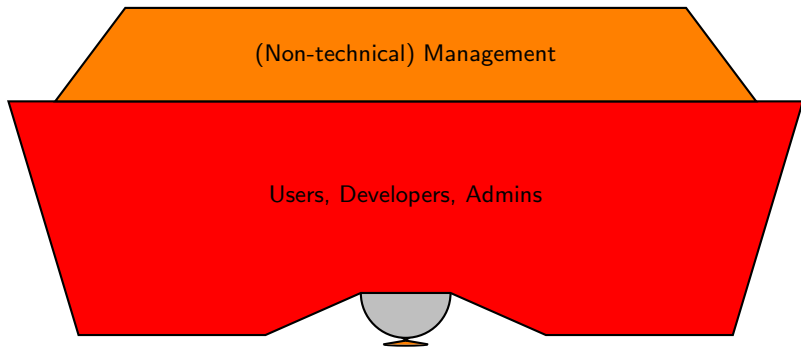

The „comprehensive“ TCP/IP Stack

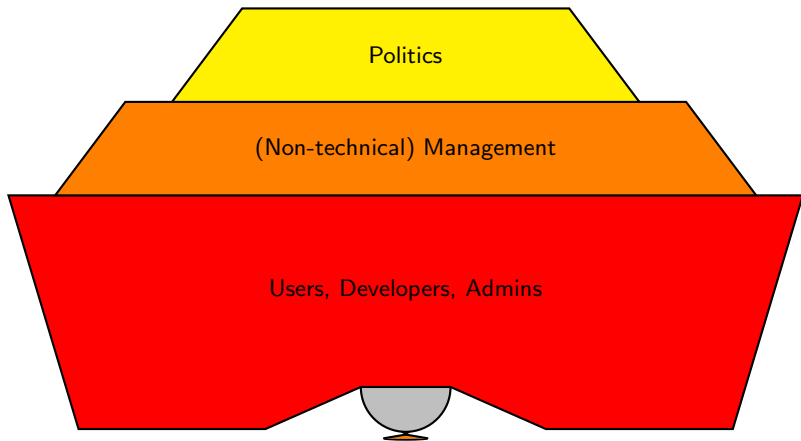

The „comprehensive“ TCP/IP Stack

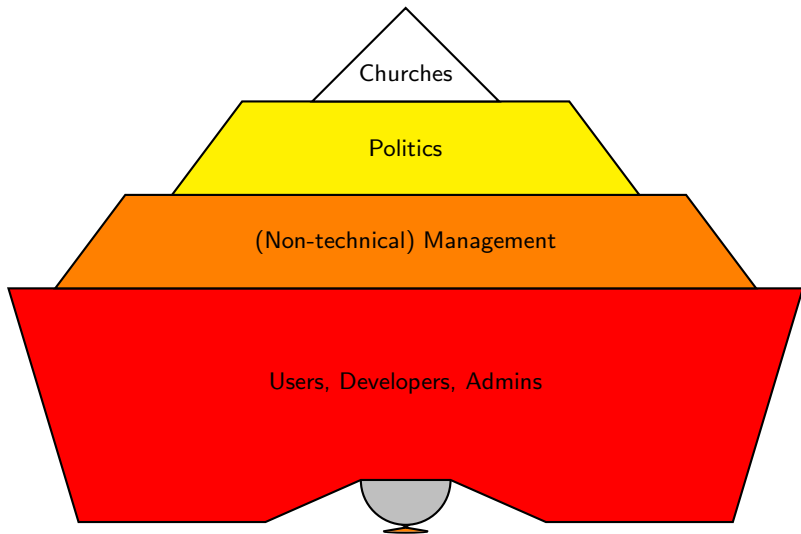

The „comprehensive“ TCP/IP Stack

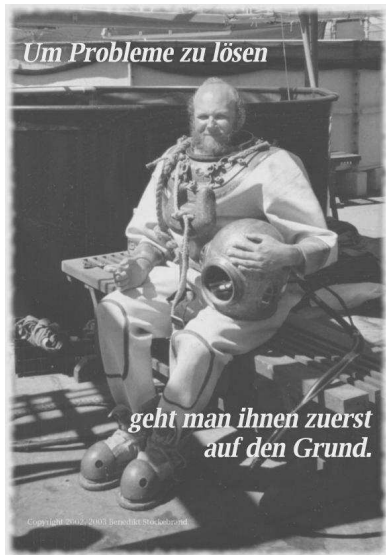

The „comprehensive“ TCP/IP Stack
