Digital Privacy in the EU

19 November 2015

RIPE71, Bucharest

3 major points in a glimpse

- General Data Protection Regulation (GDPR)
- Umbrella Agreement
- Safe Harbor decision

Safe Harbor decision

- What was Safe Harbor designed to do?
- What did it mean for business?
- Why do we need special rules for data transfer?
- What's changed after the decision?
- What happens if transfers are still being made under Safe Harbor?

So what are businesses supposed to do
