ICANN Accountability Cross Community WG

Update since RIPE 70

Athina Fragkouli | 17 November 2015 | RIPE 71

Why is it important to us?

- IANA transition

  - Focus on ICANN accountability

- Reflection on accountability of Internet Governance structures in general

Our involvement

- ASO representatives

  - Athina Fragkouli

  - Izumi Okutani

  - Fiona Asonga

  - Jorge Villa

- Intensive work

  - Weekly conference calls

  - F2F meetings

Our Goals

- Stay true to the principles of our community

  - CRISP proposal

- Stick to timelines

  - No delays for the IANA transition

- No interference with our contractual arrangements with ICANN

  - ASO MoU, IANA numbering services SLA

- Sufficient community empowerment

The Third Draft Proposal (1)

- Revised ICANN Mission, Commitments and Core Values

> *Clarification for number resources*
> ➡ *link to ASO MoU*

- Enhancement of the Independent Review Process (IRP) and reconsideration process

> *Conflicts about numbers out of scope*
> ➡ *arbitration in ASO MoU, SLA*

The Third Draft Proposal (2)

Community Powers

- Reject Budget

- Reject Bylaw changes

- Approve Fundamental Bylaw changes

- Remove entire Board

- Remove individual Board members

The Third Draft Proposal (2)

Sole Designator Model

Community Powers

- Reject Budget

- Reject Bylaw changes

- Approve Fundamental Bylaw changes
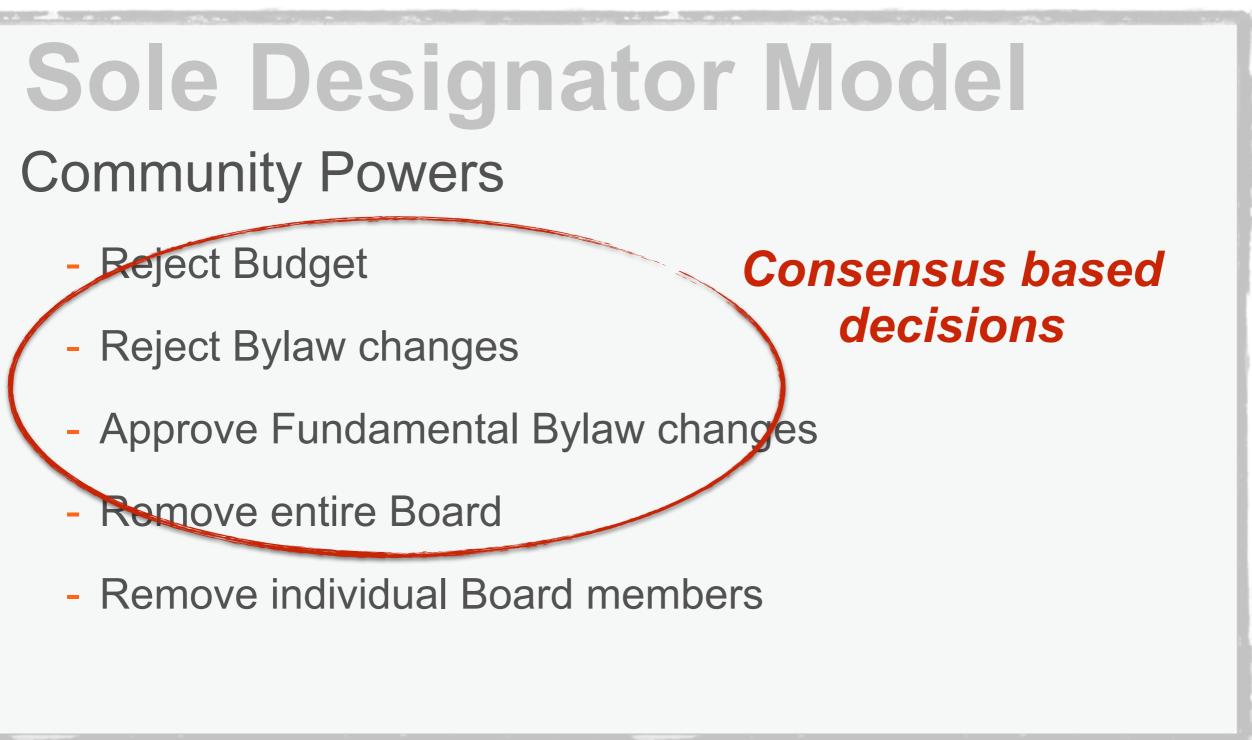

- Remove entire Board

- Remove individual Board members

The Third Draft Proposal (2)

Sole Designator Model

Community Powers

SOs/ACs collectively

- Reject Budget

- Reject Bylaw changes

- Approve Fundamental Bylaw changes

- Remove entire Board

- Remove individual Board members

The Third Draft Proposal (2)

Sole Designator Model

Community Powers

- Reject Budget

- Reject Bylaw changes

- Approve Fundamental Bylaw changes

- Remove entire Board

- Remove individual Board members

Consensus based decisions

The Third Draft Proposal (2)

Sole Designator Model

Community Powers

- Reject Budget

- Reject Bylaw changes

- Approve Fundamental Bylaw changes

- Remove entire Board

- Remove individual Board members

Decision of relevant SO/AC

Timeline

- 15/11: Summary of recommendations
  - https://www.icann.org/news/blog/ccwg-accountability-issues-formal-update-on-progress-made-in-and-after-icann54-in-dublin

- 30/11: Full (third) draft proposal for comments

- 21/12: End of public comments

- 7/1: Amended proposal sent for final approval by SO/ACs

- 22/1: Deliver final proposal to ICANN Board

Final remarks - ASO representatives

- Reporting back to RIR community

- Few but strong interventions

- Clear position - stick to our goals

- Ready to negotiate and to show flexibility

- Apply consistent pressure on timelines and deliverables

- Publicly recognised by CCWG-Chairs on our positive contribution
